### **STATEMENT OF OBJECTS AND REASONS**

Honour killings are common throughout Pakistan, claiming the lives of hundreds of victims every year. According to Aurat Foundation's statistics 432 women were reportedly killed in the name of honour in Pakistan in 2012, 705 in 2011, 557 in 2010, 604 in 2009 and 475 in 2008. These figures do not include unreported cases or, indeed, the number of men who are often killed alongside women in the name of honour. Addressing the loopholes and lacunae in the existing laws is essential in order to prevent these crimes from being repeatedly committed.

The Bill is designed to achieve the said objective.
