required to qualify the NLE for grant of a licence to practice in Pakistan:

Provided a medical or dental practitioner who has obtained a licence to practice in a foreign country or qualified from a foreign institution, not recognized by the Commission, but has acquired a postgraduate qualification in Pakistan or from a foreign institution recognized by the Council shall not be required to qualify the NLE and shall be granted a full licence to practice on the basis of the recognized postgraduate qualification.

22. National equivalence board examinations.— (1) The Authority shall at least twice a year as per schedule approved by the Council conduct the NEB to assess and oversee the assessment of the knowledge, clinical skills and professional attributes of students who have partially completed a medical and dental program in a foreign institution and are seeking transfer to and admission in a medical or dental college in Pakistan.

(2) Any student who has been enrolled in a medical or dental institution or college outside Pakistan and has completed more than two years of the program may seek transfer and admission to a medical or dental college in Pakistan subject to qualifying the relevant standard of the NEB for the prescribed period of each program of study pursuant to which the student shall be qualified to obtain admission in the immediately subsequent year.

(3) A student shall be required to take the NEB within twelve months of having left his program of study outside Pakistan in order to be eligible for admission to a medical or dental college in Pakistan.

23. Recognition of post graduate, additional or alterative qualifications.— (1) The Council may subject to assessment and recommendation by the Authority, approve and recognize a post graduate, additional or alterative qualification offered by an institution in Pakistan.

(2) The Council may where necessary seek professional advice or the opinion of the relevant faculty of the College of Physicians and Surgeons, or of a university, to assess a recommendation for approval of a post graduate, additional or alterative qualification.

24. Recognition of medical institutions for grant of post graduate, additional or alterative qualifications.— (1) The Council shall recognize postgraduate medical and dental qualifications or diplomas given by the College of Physicians and Surgeons of Pakistan:

Provided that no honorary qualification or diploma declared to be honorary by the College of Physicians and Surgeons of Pakistan shall be recognized by the Commission.

(2) The Council may subject to assessment and recommendation by the Authority, grant recognition to a medical institution in Pakistan which trains or grants or both trains and grants recognized post graduate, additional or alternative qualifications for purposes of practice of medicine or dentistry.

(3) Any medical institution or medical university requesting recognition in pursuance of sub-section (2) may apply to the Commission in the prescribed manner.

(4) Upon receipt of application made in pursuance of sub-section (3), the Authority shall within a period of three months scrutinize the application and if satisfied that the application is in conformity with the prescribed procedure, shall recommend the same to the Council for its approval.

25. Recognition of foreign post graduate, additional or alternative medical or dental qualifications.— (1) The Council may subject to assessment and recommendation by the Authority recognize any post graduate, additional or alternative medical or dental qualifications granted by a foreign institution.

(2) The Council may where necessary seek the opinion of the relevant faculty of the College of Physicians and Surgeons, or of a university, and in addition there to the opinion of the foreign authority of the country where such foreign institution is located to assess a recommendation for approval of a post graduate, additional or alternative qualification.

(3) The Authority shall assess for purposes of recommendation any foreign qualification either on the application of a foreign institution or upon an application by a person having acquired a previously unrecognized qualification. The Authority shall conduct and complete its assessment within three months of an application being made.

26. Recognition of foreign institutions for under-graduate, post graduate, additional or alternative qualifications.— (1) The Council may subject to assessment and recommendation by the Authority recognize any foreign institution which grants an under-graduate medical or dental qualification or a recognized foreign post graduate, additional or alternative qualification.

(2) The Authority shall assess for purposes of recommendation any foreign institution either on the application of such foreign institution or upon an application by a person having acquired a recognized qualification from a previously un-recognized foreign institution. The Authority shall conduct and complete its assessment within three months of an application being made.

27. Recognition of continuous professional development opportunity providers.— The Council on the recommendation of the Authority may grant recognition to any organization in Pakistan or outside Pakistan, which provides opportunities of continuous professional development to the registered medical and dental practitioners.

28. House Job.— (1) Every person having obtained a provisional licence under sub-section (2) of section 21 shall be required to undergo and successfully complete a mandatory one year house job, internship or foundation year, by whatever name called, at an institution recognized by the Commission or an equivalent of a house job outside Pakistan as may be recognized by the Commission.

(2) Every medical or dental college in Pakistan shall be responsible to provide a paid house job, either at its own affiliated teaching hospital or any other recognized teaching hospital, for each of its graduates who qualify the NLE and acquire a provisional licence:

Provided that the medical or dental college, whether public or private, shall ensure that the stipend or salary paid is not less than the highest stipend or salary paid by a public teaching hospital in the province to similarly placed graduates:

Provided further that in the event the house job is provided at a non-affiliated teaching hospital, the medical or dental college shall be responsible to reimburse such non-affiliated teaching hospital the amount paid as stipend or salary to their graduate undertaking the house job.

(3) A house job, internship or foundation year shall consist of full time and structured training as specified by the Board and approved by the Council.

(4) The teaching hospital shall issue on the conclusion of the house job a certificate confirming that the provisional licence holder has satisfactorily completed the mandatory house job modules for grant of full licence.

29. Recognition of hospitals or institutions for house job or internship or foundation year training.— (1) The Authority shall upon inspection and assessment recommend to the Council for grant of recognition to any hospitals or institutions in Pakistan which train for house job or internship or foundation year as the case may be.

(2) Upon the grant of approval for recognition by the Council the hospital or institution shall be entitled to train for house job or internship or foundation year after the date of notification of approval.

(3) The Council shall recognize any foreign teaching hospital or institution recognized by the regulatory authority of such country

for purposes of imparting house job, internship, foundation year or clinical training by whatever name called.

30. Licensing.— (1) The Authority shall grant a full licence to practice basic medicine or dentistry as a general practitioner to a person who subsequent to qualifying the NLE has completed his mandatory one year house job or foundation year or internship satisfactorily or has successfully completed a house job, internship or foundation year equivalent to a house job at a foreign teaching hospital or institution recognized under sub-section (3) of section 29.

(2) A general practitioner may treat all ordinarily recognized common medical or dental ailments and shall not practice in fields or specialties, as recognized by the Commission for which formal training is required. He may also provide life saving treatment until ordinarily recognized specialist services can be obtained or a safe referral can be ensured. No practitioner shall represent himself as a specialist or practice as a specialist, without having appropriate qualifications, recognized by the Commission and registered on their full licence.

(3) The Authority shall cause for the registration of a recognized post graduate, alternative or additional qualification on the licence of a medical or dental practitioner where such qualification permits the medical or dental practitioner to represent and practice such speciality in consonance to such qualification.

(4) The Authority shall grant to a person licensed in a foreign country and in training in a foreign institution, a temporary licence for a fixed period of time to enable the person to take an elective training in a recognized institution in Pakistan which has accepted the person for training.

(5) The Authority shall grant to a person duly licensed in a foreign country a temporary licence for a fixed period of time to enable the person to provide training or teach in a recognized institution in Pakistan.

(6) The Authority shall cause for the registration and issuance of a licence under sub-sections (1), (3) and (4) to be completed within fourteen days of the applicant having submitted his application or reject the same for reasons to be stated.

(7) Every licensed practitioner shall be responsible to maintain his licence as valid and in good order. A practitioner shall not be permitted to practice in the absence of a valid licence issued by the Authority.

(8) No medical or dental practitioner shall be permitted to represent in Pakistan as having acquired or seek to practice a speciality unless the same is duly registered on his licence by the Authority.

(9) Every licensed medical or dental practitioner shall be required to revalidate his licence every five years in the manner and on terms determined by regulations prescribed by the Council.

(10) Every licensed practitioner shall be bound by the code of ethics promulgated by the Authority.

(11) Notwithstanding anything to the contrary contained in any other law for the time being in force, no medical certificate or prescription or medical or dental advice shall be considered valid unless obtained from a medical or dental practitioner having a valid provisional or full Licence.

(12) No person shall be entitled to recover any charge in any court of law for any medical, dental or surgical advice or attendance or for the performance of any operation or intervention or for any medicine prescribed or supplied unless he is a registered medical or dental practitioner having valid registration with the Authority:

Provided that a person licensed under any other law to practice some other form of medicine may prescribe medicine permissible under such law commensurate with the scope of his qualifications and training.

(13) No registered licensee shall use or publish in any manner whatsoever any title, description or symbol indicating or intended to lead persons to infer that he possesses any additional or other professional qualification unless the same has been duly recognized and registered on his licence by the Commission.

31. Inspection.— (1) The Authority shall appoint inspectors in accordance with terms and qualifications prescribed by the Council to inspect facilities for training available at the medical or dental institutions for grant of recognition to provide house job, internship or foundation year training or post-graduate training:

Provided that an institution recognized for training by the College of Physicians and Surgeons of Pakistan shall be recognized by the Council for purposes of post-graduate training.

(2) Inspectors shall immediately upon completion of the inspection compile a comprehensive report on the prescribed format on the standard of the inspected facilities and on the courses of study and facilities for teaching provided by the medical or dental institution inspected and shall submit it to the Authority.

(3) The Authority shall forward a copy of such report to the medical or dental institution concerned for any response prior to placing the report along with its recommendation before the Council.

(4) The Authority may conduct inspections of recognized facilities on a periodical basis, with or without prior notice to the institution provided that every institution shall be re-inspected at least once in every five years.

32. Withdrawal of recognition.— (1) Pursuant to an inspection, the Authority may recommend and the Council may approve the withdrawal on a temporary or permanent basis the recognition granted to an institution for training or grant of qualification.

(2) The Council shall prior to approving the withdrawal of a recognition granted to the institution an opportunity of being heard and responding to the report and recommendations of the Authority:

Provided that for purposes of protecting the rights of existing trainees or students the Council on the recommendation of the Authority may approve a scheme to place the trainees or students at other institutions where reasonable availability exists.

33. Disciplinary proceedings, suspension or cancellation of licence.— (1) The Council in compliance to directions of the Medical Tribunal or upon a finding pursuant to a disciplinary hearing or upon an inquiry and hearing conducted by the Authority or the Council itself, may temporarily suspend or permanently cancel the licence of a practitioner for having violated any obligation imposed upon the licensee or for medical or professional negligence or misconduct.

(2) The licence of a practitioner which has expired or who has not successfully revalidated within the time prescribed shall be deemed to be suspended until such time as it is re-validated in the prescribed manner.

(3) The Authority shall on the complaint of any person or authority or of its own motion on information received, initiate disciplinary proceedings against any full licence holder or any recognized institution in respect of medical negligence, misconduct or violation of any obligation under this Act, or any rules or regulations or directions of the Commission other than offences provided for under sub-sections (1), (2), (3), (4) and (5) of section 35:

Provided that a show cause notice shall be issued within fifteen days of receipt of the complaint to the person stating the allegations and providing a period of at least thirty days to respond and a right to be heard before the disciplinary committee.

(4) The Council shall form a disciplinary committee consisting of three members of the Council of which one shall be the member having legal qualifications to hear all disciplinary matters. The member law shall act as secretary to the disciplinary committee.

(5) The Authority shall select at least one licensed practitioner as an expert with a minimum fifteen years Standing in the speciality to which the complaint relates to assist the disciplinary committee at the hearing. The written opinion of the expert shall be appended with the decision of the disciplinary committee and shall form part of the record.

(6) The disciplinary committee shall hear and decide each complaint within ninety days of the issuance of the show cause notice. The disciplinary committee shall impose penalties as prescribed by regulations made by the Council specifying penalties commensurate with each category of offence.

(7) For the purpose of an inquiry or a disciplinary hearing, the Council or a committee of the Council shall exercise all the powers of a civil court under the Code of Civil Procedure, 1908 (Act V of 1908) for summoning the witnesses, for compelling the production of documents and for issuing commissions.

34. Registers to be public documents.— (1) The record of all registrations undertaken and licences granted by the Commission shall be deemed to be public document within the meaning of the Qanun-e-Shahdat Order, 1984 (P. O. No. 10 of 1984).

(2) The Authority shall cause for the updated list of all duly recognized medical practitioners and dental practitioners to be published on its website available for public access.

35. Penalties.— (1) Whoever in contravention of provisions of this Act operates or runs or establishes or endorses any institution or advertises admissions in an institution for imparting training and education in medicine or dentistry shall be guilty of an offence punishable with rigorous imprisonment for a term which may extend to five years but shall not be less than one year or with fine which may extend to fifty million Rupees but shall not be less than five million Rupees or with both and shall also be liable to closure of such institution.

STATEMENT OF OBJECTS AND REASONS

The Pakistan Medical and Dental Council Ordinance, 2019 was promulgated on 28-02-2019 to provide for the regulation and control of the medical profession and to establish a uniform minimum standards of basic medical education and training and recognition of qualifications in medicine and dentistry.

2. Consequent upon disapproval of PM&DC Ordinance 2019 by the Senate of Pakistan through a resolution passed on 29th August, 2019, the PM&DC Ordinance ceased to exist forthwith. Eversince, in order to run the day to day affairs of the PM&DC, an Interim Management Committee was constituted.

3. Now to establish a permanent structure and reorganize the Pakistan Medical and Dental Council in such a manner that PM&DC regains its lost reputation within the country as well as in the international arena, a draft Pakistan Medical Commission Act, 2019 was formulated duly seen and suitably amended by the National Health Reforms Task Force.

4. The Pakistan Medical Commission Act 2019, is mandated to regulate and control the medical profession and to establish a uniform minimum standard of basic and higher medical education and training and recognition of qualifications in medicine and dentistry. The Pakistan Medical Commission shall consist of the Medical and Dental Council, National Medical and Dental Academic Board and National Medical Authority.

5. The President of Pakistan was pleased to promulgate Pakistan Medical Commission Act 2019 on 19th October, 2019.

Muhammad Azam Khan Swati
Minister for Parliamentary Affairs
